Well, where shall we start! We left Davenport, FL, on our way to Ruston, LA, to have Dick Albritten "tighten" our coach. Everything went as expected and we really enjoyed meeting Dick and his wife, Trish. After he tightened or insulated our coach, we could really tell a difference. The dash air worked much better while on the road and our basement air was much more efficient in the upper 90 degree temperatures in Nashville, TN.

We arrived in Nashville a couple of days early to make last minute preparations for the Outing. When we let our slide out, we heard a pop and discovered that we had broken a pin in the mechanism.

Between trying to get the slide fixed and preparing for the Outing, we stayed pretty busy. On the 17th, Frank & Holly Ayers arrived with a broken taillight, having been rear-ended on I-40. Then Don & Sonja Smith and Don & Cile Dockery arrived, also a day early. Others attending the Outing were Leo & Nancy Smith; John & Carroll Croes, Ron & Carol Davis, David & Judie Moore, Dave Monks, Bill & Jennifer Crosland, Lloyd & Betty Corley and Ted & Doreen Hixon. Fred & Sheri Yeater arrived the last day, due to 5th wheel problems and Dick and Bev Stern joined us for breakfast, the Grand Ole Opry and the General Jackson boat ride, although they were camped at their son's business at another location near Nashville. We also had some SOB friends of ours from Bowling Green, KY, Lloyd and Louise Smith, for 2 nights. We really enjoyed seeing and visiting with all our old and new friends. We certainly had a great time and we hope everyone else also did.

Continued from Page 1

After an additional 2 days, we finally got the slide motor, pin and shaft installed, but it still was not right. We had intended to go to Chicago, Michigan and Bracebridge, Canada, but after several conversations with Alfa, we decided to go to Chino, CA to have it fixed, once and for all. The Yeaters had been on their way to Chino as they stopped in Nashville. After a quick trip in the car to see our daughter in Chicago, we went back to Bowling Green, hooked up to the coach and headed for California. We made it from Nashville to Gallup, NM in three days, and then we decided to slow down because we still had 5 days until our appointment. We spent three days in Bullhead City, AZ, visiting Oatman, AZ to visit the burros roaming the streets and touring a gold mine outside of Oatman.

We arrived in Chino on Sunday, spent the night in a nearby campground and met the Yeaters at Extended Stay America Hotel. On Monday, we did a walk thru of the Coach with the Alfa representative and then we vacated it to stay at the same place as the Yeaters and another couple from North Carolina, Jack and Janell Lancaster, also Gold owners (We think they are our newest Sunriser members.)

Fred Yeater appointed himself Wagon Master of the Alfa-less Chino Alfa Outing. We have happy hour every night, think of other Alfa friends we

have met along the way, and then retire to our new digs. We visited Newport Beach, the Richard Nixon Library and Museum and the Ronald Reagan Library and Museum and toured the Alfa Factory. We have found Costco, Sam's, Trader Joe's and all the local grocery stores. We are still here after a week and plan on being here at least five more days,

but we want to get these things in shape before we leave. Everyone at Alfa has been so nice to us and seem determined to help us get up and going without any more problems. We are really sorry that everyone could not join us here on our Westward Ho journey.

Our next Outing is in Lake Park, Georgia, October 6-11, with Frank and Holly Ayers as the Wagon Masters. Of course, we are really hoping that Frank can make it, since he has been very busy with FEMA work. He says Holly will hold down the fort if he can't make it and we will have a great time.

Also, don't forget we will have another Outing in Titusville, FL, with Lloyd and Betty Corley as Wagon Masters, November 3-8. Please try to join us - you will have a great time and meet lots of great people.

MINUTES OF ALFA SUNRISERS CHAPTER MEETING **8/18/2005**

President Jim Breece called a meeting of the club officers present at the Nashville outing. Attending were Jim Breece, President; Frank Ayers, Vice-president; and Lloyd Corley, Secretary-Treasurer.

The purpose of the meeting was to discuss compensation to the club members who represented the Sunriser chapter at the Alfa Owners Club National Board meeting in April. The chapter by-laws (Article III, Section 2B) allow compensation of up to five dollars per member to assist in travel costs to attend the National Board meeting. We agreed that the Davis's did an outstanding job representing the chapter at the National rally and the National Board meetings and deserved the club's gratuity.

The Secretary reported a paid membership of 136 as of this date. The Treasurer reported chapter bank balance of \$3493.92.

The officers agreed to present Ron and Carol Davis with a check for 680 dollars from the chapter treasury.

There were no other chapter business items presented so the meeting was adjourned.

Respectfully submitted:

Lloyd Corley
Secretary-Treasurer
Alfa Sunrisers

A TRUE SOUTHERNER

Only true southerners grow up knowing the difference between "right near" and "a right far piece."

They also know that "just down the road" can be 1 mile or 20.

A true Southerner knows that "fixin" can be used as a noun, a verb, or an adverb.

Put 100 true Southerners in a room and half of them will discover they are related, even if only by marriage.

When you hear someone say, "Well, I caught myself lookin'...", you know you are in the presence of a genuine Southerner.

And a true Southerner knows you don't scream obscenities at little old ladies who drive 30 MPH on the freeway. You just say, "Bless her heart" and go on your way.

NEWSLETTER ARTICLES

All members are encouraged to submit any articles to the Editor for publishing in the Sunrisers Gazette. Pictures are also appreciated.

Please remember that your Editor will publish most anything you send in, but he has no way of being your author.

He is also a lousy secretary, and can't type, so please submit all articles via email. (So he can "cut and paste".)

In each Gazette I would like to feature one (or 2 or 3) of our member's rigs. Please send me a photo of your rig. Email, snail mail, or whatever, and include name, rig desc, location, and date of photo.

Dave / Editor

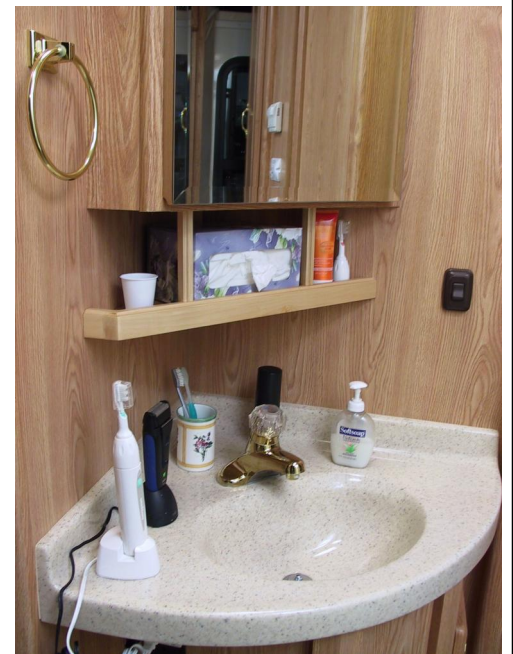

Pictures - All the pictures in this, and other newsletters, are available.. Send an email to the Editor and the picture(s) will be returned A S A P.
